# UBEC MATCHING GRANT REMARKS

- Please note that basic education is the constitutional responsibility of the states and LGA's. What the Federal Government is doing, through UBEC, is to provide support in enabling the sub-sector get out of its long neglect.
- However, some states are not forthcoming when it comes to funding basic education. Those states reflected in the **average to non-performing** columns are therefore encouraged to access their funds for the development of basic education.

# **PROGRESS SUMMATION: GOOD NEWS !!!**

- WE ARE NOT WHERE WE NEED TO BE, BUT WE ARE DEFINITELY HEADING IN THE RIGHT DIRECTION TO STRATEGICALLY REPOSITION OUR EDUCATIONAL SYSTEM.**

# **THANK YOU**
